Regarding School Transport

Our priority is Safety for students while traveling to and from school. Basic safety rules for school bus users while boarding and getting down the school bus.

1. Parents are requested not to enter school buses to see off and receive their wards.
2. Parents should not try to overtake and stop the bus to facilitate the boarding of their child as this may lead to accident and can endanger the safety of bus and its occupants.
3. If any student is availing bus facility, he/she is not allowed to be picked up by parents in the afternoon or during school hours for any reason except in medical emergencies.
4. If a student misses his allotted bus in the morning, he/she should not try to board any other bus. In such cases, it is the responsibility of the parents to drop their wards at school under intimation to the Route Incharge.
5. Parents must ensure that their wards do not go to and fro from bus stops to their residence unescorted.
6. For Junior Routes, it is mandatory for the parents or whoever is authorized by the parents to reach the bus stop to receive their wards on time otherwise the students will be brought back to the school and will be handed over to the parents only.
7. In case any student travels by private transport / van / rickshaw etc. arranged personally by the parents, the parents are requested to get the police verification of Driver / Conductor / Rickshaw Puller done for the safety of the students. However the school does not recommend the use of private bus / vans / rickshaw for commuting to school. The parents are requested to preferably make arrangements to drop and pick the students personally. It is also suggested

that in such cases one of the parents should by rotation accompany the van / rickshaw/auto rickshaw etc. in the morning as well as in the evening.

8. *We request you to counsel your ward to be at their best conduct at all times (whether in the class / school premises / traveling in the school bus).*
9. *Your kind suggestion / feedback is always welcome. Please send your suggestions / feedback to email id. **suggestionsdavnoida@gmail.com**. Any parent who has any problem / suggestion regarding transport can contact Transport Incharge, Ms. Poonam Kalra (Senior Routes) & Mrs. Reema Bery (Junior Routes).*
