Date : 25.09.2018

Dear Parents,

**Welcome to the DAV Noida Family !**

Sarla Chopra D.A.V. Public School Noida is marching ahead in its mission to provide quality education to children. Today, the school stands tall among the galaxy of schools not only in academics but also in sensitizing students and parents towards various social and environmental issues and is working hand in hand with parents, students, other community members in this direction. The school has been taking various projects under its initiative *“Clean and Green Noida”*.

You are requested to join hands with us in this initiative to keep Noida clean and green. Enclosed herewith, please find the Pledge *“to plant, care and nurture at least one sapling / tree / plant in or around the school / your house / your locality / your city and to work collaboratively with the school in all its initiatives to keep the school, city and the country clean & green”*. You are requested to go through the Pledge and after signing it attach it with the Admission Form.

You may also send photograph/s of the tree planted with the **name of the plant, place of planting it, student’s name and father/Mother’s name** to the email id: *“davcleangreen.noida@gmail.com”* or **WhatsApp group** of new parents **within a fortnight (15 days)** to be uploaded on the specified facebook page of the school. The photograph/s while planting the tree along with the student and his / her parents should be of good quality and should be sent in JPEG format.

**With Regards**
