I TERM

APRIL

Topic	Teaching aids/Methodology	Learning Outcomes
Lesson 1 The Pets	1. Reading of the lesson along with explanation. The students would be encouraged to see the pictures & read. Art integration- Colouring 'My favourite pet'	1. This will give reading practice to the students. 2. It would enhance child's confidence. 3. Moral value of taking care of animals will be Inculcated.
Lesson 2 - A Funny, funny Zoo and Lesson 3 - Kitty, The Naughty Cat Pr. Book pages 1 to 8	1. Reading and explanation of the lesson. 2. Different prepositions would be taught using the objects in the classroom and through a rhyme Activity: Simon says game- Students will stand and choose one thing in the class that everyone has and can use for example a chair, a book. The teacher will give simple instructions like Simon says sit on the chair.	1. Reading practice. 2. This would enhance their vocabulary. 3. Student's grammatical knowledge on position words would be enhanced.
Lesson 4 Neha in a Jeep	1. Reading practice would be given along with stressing on 'ee' sound words.	1. Reading practice.

-ee sound words - Pr. Book Pgs. 9 to 11 Book of the month	2. Introduction of 'ee' sound words with pictures -bee, teeth, wheel, tree, seed, jeep, green, feet, peel, weep. Activity: Bee making Colours in my world (Childrens Book Trust)	2. The students will be able to read and understand ee sound words. 3. Read pictures with enhanced creativity.
--	--	--

MAY

Topic	Teaching aids/Methodology	Learning Outcome
L-5: The Big Bell 'll' Sound words Pr. Book : Pgs. 12, 13 & 14 Book of the month	1. Reading and explanation of the lesson. 2. Introduction of ll sound words with pictures like bell, ball, well, tall, wall, hill, doll, pull, mall, small. Activity -Colouring 'The Ball' Everyone has a name (Childrens Book Trust)	1. Reading practice. 2. This will inculcate self confidence and leadership skills among students. 3. Reading pictures with enhanced creativity.

JULY

Topic	Teaching aids/Methodology	Learning Outcomes
L-6: The Hot Spoon - oo sound words Pr. Book: Pgs. 15, 16 & 17	1. Reading and Explanation of the lesson. 2. Introduction of oo sound words with pictures - pool, boot, moon, loop, stool, roof, broom, school, food. Art Integration: Colouring the ice-cream scoop using your own creativity	1. Reading practice. 2. Development of vocabulary. 3. Students will be able to read and understand sound words. 4. This will help in teaching them moral values.

<p>L-7: A Shop in the Ship -sh sound words Pr. Book :Pgs. 18, 19, 20 Book of the month</p>	<p>1. Reading & explanation of the lesson. 2. Reading and writing of sh sound words with pictures - shop, ship, sheep, fish, dish, polish, shell, shirt, shoe, brush.</p> <p>Art Integration- Button pasting in shirt</p> <p>Fruit Time (Childrens Book Trust)</p>	<p>1. This will enhance their vocabulary. 2. To improve their listening and writing skills.</p>
---	--	---

AUGUST

Topic	Teaching aids/Methodology	Learning Outcomes
<p>L-8 : Chintu & the Chicks - ch sound words Pr. Book : Pgs. 21, 22 & 23</p>	<p>1. Reading & explanation of the lesson. 2. Introduction of ch sound words with pictures - chain, cherry, cheese, chair, lunch, bench, rich, chalk, pitch, touch, branch, peach.</p> <p>Art Integration: Tearing and pasting in chick</p>	<p>1. Reading practice. 2.Improvement of spellings and vocabulary.</p>

<p>L-9 : The thief and the thorn - th sound words Pr. Book: Pgs. 24 to 27</p>	<p>1. Reading and explanation of the lesson, 2. Introduction of th sound words with pictures - thief, thorn, three, thread, thumb, thick, thirty, teeth, cloth, path, bath, mouth.</p> <p>Art Integration : Draw 'Bathtub' and write 'th' sound words in bubbles</p>	<p>1. Reading practice.</p>
---	---	-----------------------------

<p>L-10 : The Puss in the class -ss sound words Pr. Book Pgs. 28, 29 & 30</p>	<p>1. Reading & explanation of the lesson. 2. Introduction of ss sound words with pictures - chess, dress, brass, grass, class, toss, press, kiss, less, cross, glass, mess.</p> <p>Art Integration : Making of dress</p>	<p>1. Reading practice. This will enhance their vocabulary and spellings.</p>
<p>Poem - One thing at a time</p>	<p>1. Reading, recitation and explanation of the poem</p>	<p>1. Poem recitation with correct pronunciation, voice modulation & intonation.</p>
<p>Book of the month</p>	<p>A ball of wool (NCERT)</p>	

**II TERM
SEPTEMBER**

Topic	Teaching aids/Methodology	Learning Outcomes
-------	---------------------------	-------------------

<p>L-11: Vicky & Nicky -ck sound words</p> <p>Pr. Book: Pgs. 31, 32 & 33</p>	<p>1. Reading & explanation of the lesson.</p> <p>2. Introduction of ck sound words with pictures - sack, black, rack, lock, neck, clock, jacket, pocket, bucket, frock.</p> <p>Art Integration: Necklace making</p>	<p>1. Reading practice.</p>
<p>L-12: The King's Ring - ng sound words</p> <p>Pr. Book: Pgs. 34 & 35</p> <p>Use of is, am and are</p>	<p>1. Reading & explanation of the lesson.</p> <p>2. Introduction of ng sound words with pictures - ring, lung, hang, wing, swing, string, long, thing, gang, sing.</p> <p>Art Integration: Making of ring</p> <p>3. Explanation of use of is, am and are by the teacher using pictorial representation</p>	<p>1. Reading practice.</p> <p>2. Improvement of vocabulary.</p>
<p>Reading, recitation and explanation of the poem</p>		<p>1. The students will recite the poem with actions.</p>
<p>The floral hair clip (NCERT)</p>		

OCTOBER

Topic	Teaching aids/Methodology	Learning Outcomes
<p>Use of I, He, She and It</p> <p>L-15: Anil and Geeta</p> <p>Pr. Book - Pg. 36 To 42</p>	<p>1. Reading and explanation of the lesson related to the use of I, He, She and It.</p> <p>2 Reading of the lesson- Anil and Geeta along with its explanation.</p>	<p>1. This will help students to understand the usage of I, He, She and It.</p>

One and Many	<ol style="list-style-type: none"> Drawing the pictures related to One and Many in the notebook. Art Integration: Sorting of flash cards under one and many. 	<ol style="list-style-type: none"> It will improve their speaking skills.
L-16: Out of the Cage Pr. Book: Pgs. 43, 44 & 45	<ol style="list-style-type: none"> Reading and explanation of the lesson. 	<ol style="list-style-type: none"> Reading practice. Improvement of vocabulary
L-17: Tiny Ball (Poem)	<ol style="list-style-type: none"> Reading, reciting and explanation of the poem. Drawing of the picture related to the poem in the notebook. 	The students will be able to recite the poem with correct pronunciation & intonation.
Use of You, We and They	<ol style="list-style-type: none"> Introduction of the concept of You, We and They Simple Exercises related to its use will be done in the notebook. <p>Activity: Card Matching game</p>	

NOVEMBER

Topic	Teaching aids/Methodology	Learning Outcome
L-18: Clever Chicks related to use of You, We & They Pr. Book: Pgs. 46, 47 & 48	<ol style="list-style-type: none"> Reading and explanation of the lesson Use of This, That, These and Those will be explained and written in notebook. Fill in the blanks will be done along with picture drawing. 	<ol style="list-style-type: none"> Reading practice. This will help in improving vocabulary and conversation skills. This will help the students to participate in discussion thereby improving the speaking skills.
Use of Has and have	<ol style="list-style-type: none"> Use of has and have will be taught through pictorial 	<ol style="list-style-type: none"> Reading practice. Improvement of

Pr. Book: Pgs. 49 to 53	representation. 2. Fill in the blanks with has or have will be done.	grammar.
L-19: Tommy the Pet Use of This, That, These and Those	1. Reading and explanation of the lesson 2. Use of This, That, These and Those will be explained and written in notebook. 3. Fill in the blanks will be done along with picture drawing. Activity: Show and tell using this, that, these, those	1 Reading practice. 2 Improvement of grammar.
Book of the month	The Tiger and the Mosquito (Childrens Book Trust)	

DECEMBER

Topic	Teaching aids/Methodology	Learning Outcome
Lesson-20: A Picnic related to This, That, These, Those Pr. Book: Pgs. 54, 55 & 56	1. Reading and explanation of the lesson. 2. Framing sentences with simple words in the notebook.	1. This will improve their writing skills and help in building vocabulary. 2. Reading practice.
Use of his, her, my, your Pr. Book: Pgs. 57 to 61	1. Sentences related to the concept will be done in the notebook Art Integration: Picture pasting related to his, her	1. This will help students to improve their conversation skills.

L-21: Raju's Bunny Negative Sentences	1. Reading and explanation of the lesson. 2. Framing of simple questions and answers (Negative) will be done in the notebook along with picture drawing.	1. This will enhance their confidence.
Positive Sentences	1. Framing of simple questions and answers (Positive)	1. This will help students in framing questions in daily conversation.
Use of What Pr. Book: Pgs. 62 & 63	1. Framing of questions using 'What' in notebook along with picture drawing. Activity: Students will be asked to frame questions orally (using objects).	1 This will help students in framing questions in daily conversation.
Book of the month	Ashok's Kite (Childrens Book Trust)	

**III TERM
JANUARY**

Topic	Teaching aids/Methodology	Learning Outcome
L-22: Kitty's Birthday explaining colour names Pr. Book: Pg. 64	1. Reading and explanation of the lesson. Activity: Worksheet on colour coding will be done.	1. Reading practice. 2. Improvement of Vocabulary
Opposites Pr. Book: Pgs. 65, 66 & 67	Making of Birthday Invitation Card	
	Introduction of Doing or Action words in the class. Activity: Mystery Bag	1. Knowledge about action words.

L-23: The Ants Pr. Book: Pgs. 68 to 71	1. Reading and explanation of the lesson. Memory Game Activity: Flash cards of doing words will be shown to students in class for a particular duration and then removed. They will have to remember and tell maximum doing words.	1. Reading practice. 2. Improvement of Vocabulary & spellings.
Book of the month	Opposite Fun (Childrens Book Trust)	

FEBRUARY

Topic	Teaching aids/Methodology	Learning Outcome
Yesterday was a holiday related to use of is and was	1. Reading and explanation of the lesson. 2. Fill in the blanks using is and was.	1. Reading practice
L-24: The Greedy Monkey (Use of was and were) Pr. Book: Pgs. 72 and 73	1. Reading and explanation of the lesson.	1. Reading practice 2. Building vocabulary
Use of a, an Pgs. 74, 75	1. Fill in the blanks using a or an in the notebook 2. Worksheets will be done to recapitulate the concept.	
L-25: Golu's Shop	1. Reading and explanation of the lesson.	1. Reading practice

L-26: Neha in the Forest Pgs. 76 to 79	1. Reading and explanation of the lesson. Old Mc Donald had a farm rhyme.	1. Improvement of vocabulary.
Book of the month	There is magic in water (Childrens Book Trust)	
	MARCH- Revision of entire syllabus	

MATHEMATICS SYLLABUS

CLASS I

General Objectives:

The child will be able to:

1. Develop the concept of comparisons.
2. Know the sequence of numbers from 0 to 100.
3. Understand the face value and place value of whole numbers 0 - 100.
4. Use appropriately the symbols of $>$, $<$, $=$.
5. Apply/use numbers 0 – 100 in different ways.
6. Read and write number names from 1 to 100.
7. Perform two basic operations (addition/subtraction) with whole numbers abstractly.
8. Develop the basic concept of money transaction.
9. Read time on a clock in a complete hour.
10. Measure the capacity by using non-standard units.
11. Measure the weight of different objects by using non-standard units of measurement.
12. Develop the concept of length and measurement.
13. Understand basic shapes.
14. Recognize and classify various solids in the environment on the basis of their shapes.
15. Be familiar with ordinal numbers – first to tenth.

**I TERM
APRIL**

Topic	Teaching Aids/ Methodology	Learning Outcomes
<p>Counting 1 to 99</p> <p>Back counting 99 to 1</p>	<ul style="list-style-type: none"> • Through speaking, counting will be recapitulated among the students. • Back counting will be spoken loudly and children would repeat along with the teacher. 	<ul style="list-style-type: none"> • Students will be familiarized with forward counting and backward counting.
<p>Number Names 1 to 20</p>	<ul style="list-style-type: none"> • Introducing number names through repeated memorization of spellings. <p style="padding-left: 40px;">Written practice would be given in the notebook.</p>	<ul style="list-style-type: none"> • Students will be able to correlate numerals with number names.
<p>Comparisons</p>	<ul style="list-style-type: none"> • The concept will be recapitulated through worksheets and videos. 	<ul style="list-style-type: none"> • Students will enhance their critical thinking skills.
<p>Missing Numbers</p>	<ul style="list-style-type: none"> • Concept of missing numbers would be introduced with the help of number cards eg. 5 6 ? 8 • Activity- Snakes and ladders would be drawn on the floor at home and played with family members. The children will be encouraged to play by jumping on desired number (for concept of before, after, 	<ul style="list-style-type: none"> • Students will be able to find the missing number out of given sequence.

	<p>between)</p> <ul style="list-style-type: none"> • Activity - Children will compare the items present in their pencil boxes and identify/ categorize them into small, big, smallest, biggest, smaller than and bigger than. 	
--	---	--

MAY

Topic	Teaching Aids/ Methodology	Learning Outcomes
Number Names 21 to 30	<ul style="list-style-type: none"> • Concept of number names would be taken up. 	<ul style="list-style-type: none"> • Students will be able to read and write numbers.
Number Ordering (>, <, =)	<ul style="list-style-type: none"> • Counting the number of objects in given collection, identify which collection has greater or less objects. 	<ul style="list-style-type: none"> • Students will be able to use symbols <, >, and = appropriately.
Place Value	<ul style="list-style-type: none"> • Guiding the children to develop the concept by showing a simple working model of abacus • Teacher will write the number on board and the children would draw the same by showing the beads on abacus in the worksheet & notebook • Activity - Two chairs will be labelled as Tens and Ones. Children 	<ul style="list-style-type: none"> • Students understand the face value and place value numbers.

	will be given sheets of papers with single digit numbers. A number will be called out and children will sit in their respective chairs based on each digit's place value.	
--	---	--

JULY

Topic	Teaching Aids/ Methodology	Learning Outcomes
Number Names 31 to 50	<ul style="list-style-type: none"> • Writing the numeral with number names in the worksheet & notebook. 	<ul style="list-style-type: none"> • Students will be able to read and write numbers.
Ordinal numbers 1 to 10	<ul style="list-style-type: none"> • Children would be asked to tell the position of persons standing in a queue. 	<ul style="list-style-type: none"> • Students will become familiar with ordinal numbers – first to tenth.
Ascending/Descending Order	<ul style="list-style-type: none"> • Arrange objects corresponding to a given ordinal numbers. • Activity - Stairs will be labelled First to Tenth position. Children will arrange themselves accordingly. (BALA- Building as learning aid) • Activity - A quiz related to ordinal numbers would be done in the online class. Also, a video made by the teacher would be sent to the children for better clarity of the concept. 	<ul style="list-style-type: none"> • Students know the sequence of numbers (0-99)

	<ul style="list-style-type: none"> • Activity - Children will hold placard of different two-digit numbers and will stand themselves according to ascending/descending order 	
--	---	--

AUGUST

Topic	Teaching Aids/ Methodology	Learning Outcomes
<p>Number Names 51 to 60</p> <p>Simple addition & subtraction (0-20)</p>	<ul style="list-style-type: none"> • Number names would be done through activities. Written practice would be given. • Introduction of number line for addition and subtraction. • Simple addition and subtraction using objects. • Horizontal and vertical addition sums would be done in the worksheet and worksheet & notebook • Activity - Playing cards A video would be used to show the operation of addition/subtraction • Activity -A number line will be painted/drawn on the floor. Children will be given one-digit arithmetic equations to solve on the number line. Children will stand on the first number, jump forward or backward based on addition and subtraction respectively. 	<ul style="list-style-type: none"> • Students will be able to read and write numbers. • Students will be able to perform basic operations with whole numbers: <ul style="list-style-type: none"> -On number line -Using ice-cream sticks and pencil stacks etc. -Horizontally -Vertically

II Term

SEPTEMBER

Topic	Teaching Aids/ Methodology	Learning Outcomes
Number Names 60 to 70	<ul style="list-style-type: none">• Number names would be done in the notebook	<ul style="list-style-type: none">• Students will be able to read and write numbers.
Shapes	<ul style="list-style-type: none">• Draw simple plane figures and identify their properties (sides and corners)	<ul style="list-style-type: none">• Students will be able to identify and name shapes (i.e. circle, triangle, square, rectangle) which have plane surfaces.
Solid Shapes	<ul style="list-style-type: none">• Identify objects in the environment which are of shapes - cuboid, cube, sphere, cylinder and cone.• Giving a solid shape and let them identify the number of faces of the same• Activity - Shapes will be drawn on floor. Children will draw and trace the shape with their hands and feet.• Activity - Children will draw a scenery	<ul style="list-style-type: none">• Students will be able to correlate the solid shapes with real objects.

	<p>using simple shapes such as circle, triangle, square and rectangle.</p> <ul style="list-style-type: none"> • Activity - Children will make story cubes and describe them (ART AND ENGLISH SUBJECT INTEGRATION) 	
--	---	--

OCTOBER

Topic	Teaching Aids/ Methodology	Learning Outcomes
<p>Number names 70 to 90</p> <p>Days of the week</p> <p>Length</p>	<ul style="list-style-type: none"> • Number names would be done in the notebook • Daily use of a calendar to know the date and day • Worksheet on naming the days of the week in sequence • Activity- Rhyme on days of the week would be sung in the class and written in the notebook- Discussion on usage of non-standard units (such as handspan, human feet, stick etc.) to measure length of objects in immediate neighbourhood environment • Use of non-standard units to measure length of objects in immediate neighbourhood environment • Activity - Children will use non-standard units such as handspan, footspan and small objects like eraser etc to measure length of objects and furniture in the 	<ul style="list-style-type: none"> • Students will be able to read and write numbers • Students will be able to identify, name, and order the days of the week, as well as use them in context • Students will be able to hone skills related to length – long, short and measuring objects using non-standard units. • Students will learn and understand the concept of length using non-standard units.

	<p>classroom such as their tables. (BALA)</p> <ul style="list-style-type: none"> • Activity - Children will count the strides taken from corridor to the classroom. 	<ul style="list-style-type: none"> • Students will be able to use non- standard units in day-to-day life • Students will be able to measure objects using cubit, handspan and palm in different situations.
--	--	---

NOVEMBER

Topic	Teaching Aids/ Methodology	Learning Outcomes
<p>Two-digit addition and subtraction (up to 99)</p>	<ul style="list-style-type: none"> • Using abacus for addition and subtraction (a working model of abacus would be demonstrated) • Activity -Label a few cups with different numbers. Children will create add/subtract equations and write them in strips. They will put the strips in the cups. Activity - Children will bring hangars and put cutouts of numbers and perform operations of addition and subtraction using paper clips 	<ul style="list-style-type: none"> • Students to solve the different types of addition and subtraction i.e. on number line, horizontal, vertical and on abacus • Students will recap the concept of place value- ones and tens • Students will be able to solve problems mentally.

FEBRUARY

Topic	Teaching Aids/ Methodology	Learning Outcomes
Money	<ul style="list-style-type: none"> • Recognize coins and currency notes through physical viewing • Make collections of different coins with a single coin having equivalent to the sum of the values of all the coins of the collection • Addition/Subtraction with the help of coins and notes • Sums to be done in the book, worksheet & notebook and practice sheets • Activity- Trace different coins in the worksheet & notebook using crayons • Activity - Games involving buying and selling will be played in the class • Activity - Children will bring fake notes and do roleplay of shopkeeper and customer and do money transactions using addition and subtraction of money with the help of fake notes and their own stationary. 	<ul style="list-style-type: none"> • Students will identify and name the coins and notes • Students know the assigned value to all the coins and notes (currency) • Students will learn to do various mathematical operations related to the currency • Students will become aware of various situations in which money is used • Students will become aware of various symbols associated with money

MARCH

Revision of entire syllabus

CLASS 1
EVS Curriculum
2025 -26

Objectives:

1. Be curious about the world around them.
2. Develop a tendency to explore the surroundings.
3. Develop and raise awareness about the human body and how to take care of it.
4. Understand the meaning and importance of a family and comprehend its working.
5. Understand and interpret the relationship between man and his environment { food, housing , clothing }
6. Identify places /institutions of importance in the neighbourhood.
7. Know simple facts about the tradition behind local fairs and festivals.
- 8-Develop a scientific attitude and healthy work habits.

I TERM
APRIL

Topic	Teaching Aids/ Methodology	Learning outcomes
More about me	Activity: I, me, myself 'This is me' Children will bring their photographs and stick them in their notebooks.	Children would be encouraged to speak confidently. He/ She would be able to describe himself/ herself.

<p>Body Parts</p>	<p>Making of a smell box to Differentiate between various smells pasting of heart soft /hard cloth in the notebook.</p> <p>Rhyme on body parts would be narrated to recapitulate the concept.</p> <p>Activity- Draw and colour the sense organs.</p> <p>Activity- 'Simon says'</p>	<p>Children would be familiar with their body parts.</p> <p>Children would be able to label and relate to their body parts.</p> <p>Children will identify and name the five sense organs.</p> <p>Children would remember the actions associated with 'Simon says'.</p>
--------------------------	--	--

MAY

Topic	Teaching Aids/ Methodology	Learning outcomes
<p>Keeping clean</p>	<p>Dramatization of rhyme on keeping clean would be done.</p> <p>Discussion on hygiene and cleanliness would be done.</p> <p>Activity- Gems go</p>	<p>To educate them on hygiene and cleanliness.</p> <p>Children will develop good habits to maintain cleanliness, reducing the risk of illness.</p>

	<p>Hygiene monitors would be made in the class.They will check nails and uniforms.</p>	<p>Children will develop critical thinking.</p>
--	---	--

JULY

Topic	Teaching Aids/ Methodology	Learning outcomes
Our food	<p>Showing the real healthy food items to the children.</p> <p>Picture pasting of healthy and junk food would be done in the notebook.</p> <p>The rhyme on healthy and junk food</p> <p>Making a fruit basket</p> <p>Quiz on healthy and junk food.</p>	<p>Children learn to identify and make healthy food choices.</p> <p>Children would classify foods into healthy and junk categories .</p> <p>Children would understand the nutritional differences between healthy and junk food.</p> <p>Children will develop time management skills through completing the quiz within a set time frame.</p>

AUGUST

Topic	Teaching Aids/ Methodology	Learning outcomes
Keeping healthy	<p>Story narration on a girl who eats fruits and vegetables would be done to stress on eating healthy food.</p> <p>Visit to the medical room to explain hygiene and healthy habits. Showing video on smart board.</p>	<p>Children will remember and recall the importance of healthy habits.</p> <p>Children will learn and develop healthy habits.</p>
Clothing	<p>Reading and explaining the lesson Discussion on various types of clothes.</p> <p>Pasting the pictures of summer and winter clothes in the notebook.</p> <p>Children will bring different types of cloth material and paste in their notebook.</p>	<p>Children will develop learning skills.</p> <p>Children will learn about the summer and winter clothes.</p>
Raksha Bandhan Celebration	Discussion on Raksha Bandhan	Children will learn about the significance and

	Activity- Rakhi making	traditions of Raksha Bandhan and appreciation for sibling relationships.
Independence Day Celebration	Activity- cotton dabbing in the flag .	Children will inculcate the spirit of patriotism.

**II TERM
SEPTEMBER**

Topic	Teaching Aids/ Methodology	Learning outcomes
A house is a must	<p>Graphic organizer illustration would be made in the notebook on different types of houses.</p> <p>Pasting pictures of different rooms in a house.</p> <p>Activity - Making a paper house.</p>	<p>Children will enhance their knowledge on the types of houses.</p> <p>Children will learn new vocabulary related to houses.</p>
Who are they ?	Discussion on family members and enactment of their roles.	Children will learn different roles and responsibilities within a family.

	Activity-Making a family tree	Children will develop empathy and compassion for family members and their needs.
Janmashtami celebration	Discussion on Janmashtami Activity - Cotton pasting on Matki	Children Will understand and respect the cultural diversity of India.
World Literacy Day 8th September	Celebrating World Literacy Day with poster making.	Children will practice their writing skills.
World Tourism Day	Pasting pictures of any 5 important places/monuments .	Children will learn about different cultural traditions and ways of life from around the world.

OCTOBER

Topic	Teaching Aids/ Methodology	Learning outcomes
We are a happy family	Children will create their own family tree in the notebook.	Children will understand the importance of family values.

<p>Diwali celebration</p>	<p>Activity- Dussehra puppet show</p> <p>Activity - Diya decoration</p>	<p>Children will express their creativity and imagination.</p> <p>Children will develop their creativity.</p>
----------------------------------	---	---

NOVEMBER

Topic	Teaching Aids/ Methodology	Learning outcomes
<p>Know your surroundings</p>	<p>Videos of the earth would be shown on the smart board.</p> <p>Activity - Sorting Game</p>	<p>Children will gain knowledge about their surroundings.</p> <p>Children will identify and name different natural surroundings.</p>
<p>Children's day celebration</p>	<p>Activity - Fun games</p>	<p>Children will develop social skills such as cooperation, communication and teamwork .</p>
<p>Gurupurab celebration</p>	<p>Discussion on Guru Nanak Dev Ji's birthday.</p> <p>Storytelling - Love & equality</p> <p>Activity - Role play</p>	<p>Children will understand the significance of Gurupurab.</p> <p>Children will Learn about the value of equality and Justice.</p> <p>Children will develop</p>

		social skills.
--	--	-----------------------

DECEMBER

Topic	Teaching Aids/ Methodology	Learning outcomes
Plants	Children will sow seeds in a plastic glass and grow them. They will be encouraged to become Eco -buddy {one who protect the environment }	Children will develop a sense of responsibility and care for plants.
	Children will go for a nature walk and observe parts of plants.	Children will develop curiosity and desire to learn more about the natural world.
	Collecting and pasting different types of leaves in their notebooks.	Children will develop fine motor skills through handling and pasting leaves.
The Animal Kingdom	Writing about animals and birds in the notebook. Children will paste pictures of animals	Children will improve hand - eye coordination through pasting and arranging pictures.

Christmas celebration	and birds.	
	Activity - Mask making	Children will express their creativity and individuality through making their masks.
	Activity- Animals sounds	Children will develop their cognitive skills for remembering and identifying different animal sounds.
	Discussion on how and why Christmas is celebrated.	Children will develop a spatial awareness through arranging decorations on the tree.
	Activity - Christmas tree decoration	

**III TERM
JANUARY**

Topic	Teaching Aids/ Methodology	Learning outcomes
Water	Discussion on sources and uses of water.	Children will understand the importance of water.
	Discussion on how to save water and why	Children will develop critical thinking

	<p>the water is wasted ?</p> <p>Activity- Water conservation song</p> <p>Discussion on important places around us like school, hospital, post office etc.</p> <p>Activity- Important places collage</p> <p>Activity - National flag making</p>	<p>skills.</p> <p>Children will learn simple water saving tips.</p> <p>Children will understand the basic functions of different important places.</p> <p>Children will develop fine motor skills</p> <p>Children will recognise and identify their country's National Flag.</p>
Important places		
Republic Day celebration		

FEBRUARY

ART AND CRAFT

Learning objectives:

Art and craft plays an important role in children's thinking. It enhances their imagination and creative thinking.

The objectives of teaching art are –

- ❖ To develop observation, imagination, and self-expression.
- ❖ To develop eye-hand coordination.
- ❖ To enhance creative thinking skills.
- ❖ To improve their colouring.
- ❖ To work confidently with a variety of materials.

April - May

MARCH	Recapitulation of dances according to personal preference of children	<ul style="list-style-type: none"> • Identify and interpret dance vocabulary. ● Demonstrate non locomotor and locomotor movements. ● Explore personal space and space of others.

HOLIDAY HOMEWORK CLASS 1

Dear Parents,

Summer break is here. There is no rush to sleep and wake up early. You will have plenty of time to spend with your child. Keeping this in mind we have planned activities to keep the child engaged and also to help them learn through hands-on experiences. Let's prepare ourselves not just to relax and rejuvenate but also to utilize the time in creative ways. It is time of the year when we can do things which we are unable to do during the regular routine days

Jump, exercise, sweat!

Channelize your child's energy and enjoy playing physical games at home. Enhance your child's communication skills by conversing with them in English at home or on call with friends and family.

Sensitize your child about the rich culture and heritage by watching different informative channels like The National Geographic, Animal Planet etc.

ENGLISH READING IS FUN

Reading is something that builds up our imaginative skills. Read books to children and encourage them to read too! May it be fables, fairy tales, encyclopaedias or comic books. Explore the imaginative world and go on a fantasy tour.

Make a beautiful story cube with colourful pictures on each side of the cube. Kindly refer to the tutorial for making the same

<https://www.youtube.com/watch?v=UWHR7q4sYwk>

Bring 2-3 story books with simple text for the class library. Please prefer to get books from **National Book Trust, Childrens Book Trust, Pratham Books or NCERT**. Books from the referred publishers are not expensive and relate to Indian culture.

Make chart (use A3 sheets only) on following topics

according to roll numbers ● 1-3 ee, ll, oo sound words

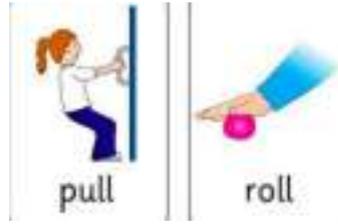

- 4-6 sh, ch, th sound words
- 7-9 ss, ck, ng sound words
- 10-12 Use of I, he, she, it
- 13-15 One and many
- 16-18 Gender
- 19-21 Use of You, We and They
- 22-24 Use of This/that, These/those
- 25-27 Use of has and have
- 28-30 Use of what
- 31-33 Use of his and her
- 34-36 Opposites
- 37-39 Action words
- 40-42 Use of a and an
- 43-45 Use of is and am
- 46-50 Use of was and were

Refer to My English reader book to get clarity on the above topics.

Kindly make sure that the chart has bold text and colourful pictures.

Make one flash card of each sound word- ee,ll,oo, sh, ch, th, ss, ck, ng

for Word Wall. The flash card should have a picture with a name underneath it. Example:

Enhance your child's communication skills by conversing with him/her in English at home or on phone calls with friends and family.

हिंदी

कृपया दो हिंदी कहानी की किताबें लाएँ

कृपया नेशनल बुक ट्रस्ट, चिल्ड्रेन्स बुक ट्रस्ट, प्रथम बुक्स या एनसीईआरटी से किताबें प्राप्त करना पसंद करें। संदर्भित प्रकाशकों की पुस्तकें महंगी नहीं हैं और भारतीय संस्कृति से संबंधित हैं।

अनुमांक अनुसार चित्र सहित सुन्दर चार्ट बनाए (A-3size sheet) प्रयोग करे

रोल नंबर

- 1 -4 आ की मात्रा
- 5-9 इ की मात्रा
- 10-14 ई की मात्रा
- 15-19 उ की मात्रा
- 20-24 ऊ की मात्रा
- 25-29 ए की मात्रा
- 30-34 ऐ की मात्रा
- 35-39 ओ की मात्रा
- 40-44 औ की मात्रा
- 45-50 अं की मात्रा

Kindly ensure that pictures related to matras are neat and colourful.

प्रत्येक मात्रा का एक फ़्लैश कार्ड बनायें

Kindly ensure that pictures related to matras are neat and colourful.

MATHS

1. Revise counting up to 99, Number Names from 1 to 30 and the Place Value concept (tens and ones).
2. Make a beautiful chart on an A3 size sheet according to the following roll numbers 1 to 10 Pre number concepts (Big/small, thick/thin, heavy/light)
11 to 20 Ordinal numbers (with pictures)
21 to 30 Shapes (draw beautiful objects of different shapes)
31 to 40 Time (make beautiful clocks showing the concept of time)
41 to 50 Days of the week

The charts must be readable and colourful.

EVS

- Prepare **an article with waste material** that is useful. Some of the examples are pen stands, keychain, phone pouch, jewellery, shopping bag etc. This will foster child's creative skills
- On an A4 sheet, prepare any **creative work using waste material** like pencil shaving, ear bud printing, thumb block painting etc. It helps in eye hand coordination and will enhance aesthetic appreciation skills.

Make a chart (A3 size) according to roll numbers

- 1-3 Body parts
- 4-6 Helpers
- 7-9 Objects/Things that help us to keep clean
- 10-12 Healthy and Junk food
- 13-15 Types of food (Milk & its products, grains, vegetables, fruits etc)
- 16-18 Season based clothes
- 19-21 Types of Houses
- 22-24 Nuclear & Joint family
- 25-27 Religious & National Festivals
- 28-30 Know your surroundings(desert, plain, rivers etc)
- 31-33 Parts of plant/ tree
- 34-36 Things we get from plants
- 37-39 Sources of water (well, river, lake etc)
- 40-42 Types of animals (wild, domestic, pet, birds etc)
- 43-45 Helpers
- 46-50 Environment related poster

Please refer to EVS book, My Living World to have clarity on the above topics

ART and CRAFT

ACTIVITY 1:

- 1- 15 Make beautiful flowers of different sizes and patterns (5 in number) Example:
- 15-30 Make 5 colourful butterflies of different patterns (5 in number). Example:

- 30-45 Make 5 colourful birthday items (5 in number).

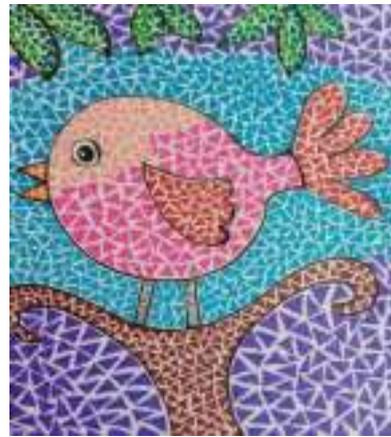

Example:

The craft items mentioned above need to be made using materials like origami sheets, pastel sheets of bright colour, glitter paper and other decorative materials. Kindly be creative and do not take a printout and paste it on white sheet.

ACTIVITY 2:

- Make a mosaic art on A3 sheet of paper according to the child's choice. Example:

Suggested places to visit with parents:

- National Zoological Park
- National Rail Museum
- Shankar's International Doll's Museum
- Children's Park, India Gate
- Traffic park
- Bal Bhawan
- Amrit Udyan (February-March)
- Waste to Wonder
- Ved Van
- Ghaziabad Biodiversity Park

Practice daily!!

Use these phrases in day to day life:

- Good morning!
- Good afternoon!
- How are you?
- I am fine, thank you.
- May I come in?
- May I go to the washroom?
- May I wash my hands?
- May I drink water?
- I apologise.

- I a grateful.
- You are welcome.
- You are so kind.

Be a good person and do the following:

1. Help your parents at home by putting your things in place.
2. Listen to your elders.
